Dear Judge Rhodes,

I want Cecily Ebony McClellan  
et al, to be a city of Det. retiree and activist to  
represent me, <sup>"Cindy"</sup> Lucinda Hannah in  
the City of Detroit Bankruptcy proceedings.

The reasons for my request are  
as follows:

I trust her and her political common  
sense, she is concerned and involved. After  
I talked on public mic at retirees association,  
I got the cold ~~shot~~ shoulder from the  
retiree <sup>us</sup> leadership; while Mark listening to  
the spit fire channel 2 interview the retiree  
attorney for both General & Police & Fire,  
Gordon I think, he reacted negatively when  
spit fire asked him to be on at 10 pm with Jerry Goldberg  
I see it, I love it. I don't see the institutions defending the  
retirees. Thank you, Lucinda Hannah
